And hath shed his own blood for my soul.

My sin, o, the bliss of this glorious thought!  
My sin, not in part but the whole  
Is nailed to the cross, and I bear it no more,  
Praise the Lord, praise the Lord, O my soul!

And, Lord, haste the day when my faith shall be sight,  
The clouds be rolled back as a scroll;  
The trump shall resound, and the Lord shall descend,  
Even so, it is well with my soul.

Along the banks of the river we run  
We dance with laughter giving praise to the Son

## The Rose by Amanda McBroom

Some say (C) love, it is a (G) river that (F) downs the (G) tender (C) reed.  
Some say love, it is a (G) razor that (F) leaves your (G) heart to (C) bleed.  
Some say (Cmaj7) love, is a (Am7) hunger, and (F) endless, aching (G) need;  
I say (Cmaj7) love, it is a (G) flower; and (F) you, (G) it's only (C) seed.

It's the heart afraid of breaking that never learns to dance.  
It's the dream afraid of waking that never take the chance.  
It's the one who won't be taken who cannot seem to give;  
And the soul afraid of dying that never learns to live.

When the night has been too lonely and the road has been too long,  
And you think that love is only for the lucky and the strong,  
Just remember, in the winter far beneath the bitter snows  
Lies the seed that with the sun's love in the spring, becomes the rose

Dark and dusty, painted on the sky,  
Misty taste of moonshine, teardrop in my eye.

Country Roads ....

The radio reminds me of my home far away,

## The River

Garth Brooks

**D** **\*D** **G/D** **D** **\*D**  
 You know a dream is like a river ever changin' as it flows.  
**G** **D/F#** **Em7** **A**  
 And the dreamer's just a vessel that must follow where it goes.  
**D** **G/D** **D \*D** **Bm** **G**  
 Trying to learn from what's behind you, and never knowing what's in store  
**D** **G/D** **D \*D** **A** **D** **#D#**  
 Makes each day a constant battle just to stay between the shores

**D** **G/D** **D** **\*D** **G/D** **D** **\*D**  
 And I will sail my vessel 'til the river runs dry.  
**G** **D/F#** **Em7** **A**  
 Like a bird upon the wind, these water's are my sky.  
**Bm** **A/C#** **D** **G/D** **D** **\*D** **G**  
 I'll never reach my destination if I never try.  
**D** **G/D** **D** **\*D** **A** **D** **#D#**  
 So, I will sail my vessel 'til the river runs dry.

Too many times we stand aside and let the water slip away  
 'Til what we put off 'til tomorrow has now become today.  
 So, don't you sit upon the shoreline and say you're satisfied.  
 Choose to chance the rapids and dare to dance the tide.

## Life's a Dance

John Michael Montgomery

Capo at 3rd Fret  
 Verse 1  
**G**  
 When I was 14, I was fallin' fast  
**C**  
 For a blue-eyed girl in my homeroom class  
**G**  
 Tryin' to find the courage to ask her out  
**C**  
 Was like tryin' to oil from a water spout

### Bridge 1

**D**  
 What you can say that I can't say  
**C**  
 I never did ask and she moved away  
**D**  
 But I learned something from my blue-eyed girl  
**C** **D** **G**  
 Sink or swim, you gotta give it a whirl

**G** **D** **G**  
 Life's a dance, you learn as you go  
**D** **G**  
 Sometimes you lead, sometimes you follow  
**C** **D**  
 Don't worry bout what you don't know  
**C** **D** **G**  
 Life's a dance, you learn as you go

### Verse 2

The longer I live the more I believe  
 You do have to give if you wanna receive  
 There's a time to listen, a time to talk  
 and you might have to crawl even after you walk

### Bridge 2

Yeah, sure things blow up in my face  
 Seen them all try to win the race  
 Been knocked down by the slammin' door  
 Picked myself up and came back for more

Then the song kicks up, either capo at 5 or  
 G becomes A, C --> D, D --> E

### Repeat chorus

**G(A)** **C(D)**  
 Life's a dance  
 Life's a dance  
 You learn as you go

### Cat's in the Cradle

Harry Chapin

**E** **G**  
My child arrived just the other day,  
**A** **E**  
He came to the world in the usual way  
**E** **G**  
But there were planes to catch and bills to pay,  
**A** **E**  
He learned to walk while I was away  
**D** **A/C#** **Bm** **A**  
And he was talking 'for I knew it, and as he grew  
**G** **Bm** **E** **G** **Bm** **E**  
He said "I'm gonna be like you, dad, you know I'm gonna be like you"

**E** **D**  
And the cat's in the cradle and the silver spoon,  
**G** **A**  
Little boy blue and the man in the moon  
**E** **D**  
"When you commin' home dad?" "I don't know when,  
**G** **Bm** **E** **G** **Bm** **E**  
But we'll get together then, You know we'll have a good time then"

My son turned ten just the other day  
He said "Thanks for the ball dad, come on let's play  
Can you teach me to throw"  
I said "Not today I got a lot to do" He said "Thats OK"  
He walked away but his smile never dimmed,  
It said I'm gonna be like him, yeah,  
You know I'm gonna be like him

Well he came from college just the other day  
So much like a man I just had to say  
"Son I'm proud of you can you sit for a while?"  
He shook his head and he said with a smile,  
"What I'd really like dad is to borrow the car keys,  
See you later can I have them please?"

I've long since retired, my son's moved away  
I called him up just the other day  
I said "I'd like to see you if you don't mind"  
He said "I'd love to dad if I could find the time,  
You see the my new job's a hassle and the kids have the flu  
But it's sure nice talkin' to you dad  
It's sure nice talkin' to you"

And as I hung up the phone it occurred to me,  
He'd grown up just like me  
My boy was just like me

Last Chorus  
And the cat's in the cradle and the silver spoon  
Little boy blue and the man in the moon  
"When you commin' home son?" "I don't know when,  
But we'll get together then, Dad,  
We're gonna have a good time then"

### The Star-Spangled Banner

Francis Scott Key

**Bb** **C F**  
Oh, say, can you see, by the dawn's early light,  
**Bb** **F** **Bb**  
What so proudly we hailed at the twilight's last gleaming?  
**Bb** **C F**  
Whose broad stripes and bright stars, through the perilous fight  
**Bb** **F** **Bb**  
O'er the ramparts we watched, were so gallantly streaming?  
**Bb** **F**  
And the rocket's red glare, the bombs bursting in air,  
**Bb** **F** **Bb** **C F**  
Gave proof through the night that our flag was still there.  
**Bb** **Eb** **Cm** **F**  
Oh, say, does that star-spangled banner yet wave,  
**Bb F Bb** **Gm** **Bb/F** **F Bb**  
O'er the land of the free, and the home of the brave?

On the shore dimly seen through the mists of the deep,  
Where the foe's haughty host in dread silence reposes?  
What is that which the breeze o'er the towering steep,  
As it fitfully blows, half conceals, half discloses?  
Now it catches the gleam of the morning's first beam,  
In full glory relected, now shines on the stream:  
Tis the star-spangled banner; oh, long may it wave  
O'er the land of the free, and the home of the brave?

And where is that band, who so vauntingly swore  
That havoc of war and the battle's confusion,  
A home and a country should leave us no more?  
Their blood has washed out their foul footsteps' pollution;  
No refuge could save the hireling and slave  
From the terror of flight or the gloom of the grave.  
And the star-spangled banner in triumph doth wave  
O'er the land of the free, and the home of the brave?

Oh, thus be it ev- er when free men shall stand  
Between their loved homes and the war's desolation;  
Blessed with vict'ry and peace, may the Heav'n rescued land  
Praise the Pow'r that hath made and preserved us a nation!  
Then conquer we must, when our cause, it is just;  
And this be our motto, "In God is our trust!"  
And the star-spangled banner in triumph shall wave  
O'er the land of the free, and the home of the brave?

### Fightin Texas Aggie Song

Highway 6

G C G D  
He's a Fightin' Texas Aggie and he just don't give a damn  
G C G D  
That he's got 3 (6, 9, 12) parking tickets, and he's on school prob again  
G C G D  
But the Bofire's built and varsity's horns have been sawed right off his head  
G C D G  
He's a Fightin' Texas Aggie and he will be 'till he's dead.

Well it's 7:45 on Friday morning, and he just crawled out of bed,  
He stayed too long at the Chicken again, and he's got an aching head.  
He's got an 8 o'clock at Heldenfelds, and his prof speaks Japanese.  
..... on beer and Mr. Bill's now he lives on bread and cheese.

Well it's Wednesday morning at Gollie Rollie, a sports pass in his hand  
He's been waitin' 3 days in the blazing sun just to be with his 12th man  
But after fumbles and interceptions, he takes his girlfriend's hand  
But the game don't mean a thing to her she's just there to see the band.

Well he goes down to the Dixie Chicken and he's dunkin' his ring tonight  
He's there at 6:30, you gotta be early, but there ain't a table in sight  
So he buys his pitcher anyway and he drops his ring on in  
Singing the road goes on forever and the party never ends.

Well it's 1 o'clock, and \_\_\_\_\_ is blaring through the place  
He parked about 50 blocks away so he ain't got time to waste  
When he finally makes it to his car he stands up on his feet  
He says, "Boys, let's head to Taco Cabana; I think I need something to eat."

Well he picks up a Battalion just to see what's going on  
But all he finds to read about is what we're doing wrong  
"This school's too damn conservative" I guess you want us to be  
Like all the hippies down in Austin wearing orange and sipping tea.

### Mr. Tambourine Man

Bob Dylan

F G C F  
Hey, Mr. Tambourine Man, play a song for me,  
F C F G  
I'm not sleepy and there ain't no place I'm going to.  
F G C F  
Hey, Mr. Tambourine Man, play a song for me,  
C F G C  
In the jingle jangle morning I'll come following you.

F G C F  
Though I know that evenings empire has returned into sand,  
C F  
Vanished from my hand,  
C F G  
Left me blindly here to stand but still not sleeping.  
F G C F  
My weariness amazes me, I'm branded on my feet,  
C F  
I have no one to meet,  
C F G  
And the ancient empty street's too dead for dreaming.

Take me on a trip upon your magic swirling ship.  
My senses have been stripped,  
May hands can't feel to grip,  
My toes too numb to step,  
Wait only for my bootheels to be wandering.  
I'm ready to go anywhere, I'm ready for to fade,  
Into my own parade.  
Cast your dancing spell my way, I promise to go under it.

Though you might hear laughing, spinning, swinging madly across the sun,  
It's not aimed at anyone,  
It's just escaping on the run,

G F C  
The morning sun is shining like a red rubber ball.

You never cared for secrets I'd confide  
For you I'm just an ornament, something for your pride  
Always running, never caring, that's the life you live  
Stolen minutes of your time were all you had to give

The story's in the past with nothing to recall  
I've got my life to live and I don't need you at all  
The roller coaster ride we took is nearly at an end  
I bought my ticket with my tears, that's all I'm gonna spend

## A Boy Named Sue

Shel Silverstein

**G**  
My daddy left home when I was three  
**C**  
And he didn't leave much to Ma and me  
**D G**  
Just this old guitar and an empty bottle of booze.  
**G**  
Now, I don't blame him cause he run and hid  
**C**  
But the meanest thing that he ever did  
**D G**  
Was before he left, he went and named me 'Sue.'

Well, he must o' thought that is was quite a joke  
And it got a lot of laughs from a' lots of folk,  
It seems I had to fight my whole life through.  
Some gal would giggle and I'd get red  
And some guy'd laugh and I'd bust his head,  
I tell ya, life ain't easy for a boy named 'Sue.'

Well, I grew up quick and I grew up mean,  
My fist got hard and my wits got keen,  
I'd roam from town to town to hide my shame.  
But I made me a vow to the moon and stars  
That I'd search the honky-tonks and bars  
And kill that man that give me that awful name.

Well, it was Gatlinburg in mid-July  
And I just hit town and my throat was dry,  
I thought I'd stop and have myself a brew.  
At an old saloon on a street of mud,  
There at a table, dealing stud,  
Sat the dirty, mangy dog that named me 'Sue.'

Well, I knew that snake was my own sweet dad  
From a worn-out picture that my mother'd had,  
And I knew that scar on his cheek and his evil eye.  
He was big and bent and gray and old,  
And I looked at him and my blood ran cold  
And I said: 'O my name is 'Sue!' how do you do!  
Now you gonna die!

Well, I hit him hard right between the eyes  
And he went down but, to my surprise,  
He come up with a knife and cut off a piece of my ear.  
But I busted a chair right across his teeth  
And we crashed through the wall and into the street  
Kicking and a' gouging in the mud and the blood and the beer.

I tell ya, I've fought tougher men  
But I really can't remember when,  
He kicked like a mule and he bit like a crocodile.  
I heard him laugh and then I heard him cuss,  
He went for his gun and I pulled mine first,  
He stood there lookin' at me and I saw him smile.

And he said: 'Son, this world is rough  
And if a man's gonna make it, he's gotta be tough  
And I know I wouldn't be there to help ya along.  
So I give ya that name and I said good-bye  
I knew you'd have to get tough or die  
And it's that name that helped to make you strong.'

He said: 'Now you just fought one hell of a fight  
And I know you hate me, and you got the right  
To kill me now, and I wouldn't blame you if you do.  
But ya ought to thank me, before I die,  
For the gravel in ya guts and the spit in ya eye  
Cause I'm the son-of-a-bitch that named you 'Sue!'

I got all choked up and I threw down my gun  
And I called him my pa, and he called me his son,  
And I come away with a different point of view.  
And I think about him, now and then,  
Every time I try and every time I win,  
And if I ever have a son, I think I'm gonna name him  
Bill or George! Anything but sue! I still hate that name!

## On Top of Old Smoky

C F  
On top of old Smoky,  
C  
All covered with snow,  
G7  
I lost my true lover,  
C  
From courting to slow  
F  
Now courting is pleasure  
C  
And parting is grief,  
G7  
And a false heated lover,  
C  
Is worse than a thief.

Say a thief will just rob you  
And take what you have  
But a false hearted lover  
Will lead you to the grave.  
And the grave will decay you  
And turn you to dust  
Not one boy in a hundred  
A poor girl can trust

They'll hug you and kiss you  
And tell you more lies  
Than the cross-ties on the railroad  
Or the stars in the skies.  
Some come all you young maidens  
And listen to me  
Never place you affections  
On a green willow tree.

For the leaves they will wither  
And the roots they will die  
You'll all be forsaken  
And never know why.  
On top of Old Smoky  
All covered with snow  
I lost my true lover  
From courting too slow.

Every song I sing, I'll sing for you  
When I come back I'll bring your wedding ring

Now the time has come to leave you  
One more time, let me kiss you  
Then close your eyes, I'll be on my way  
Dream about the days to come  
When I won't have to leave alone  
About the times I won't have to say

 my debt to pay  
**C D**  
 From the cross to the grave

### Are You Washed in the Blood

**F#**  
 Have you been to Jesus for the cleansing power?  
**C#7**  
 Are you washed in the blood of the Lamb?  
**F# B**  
 Are you fully trusting in His grace this hour?  
**F# C#7 F#**  
 Are you washed in the blood of the Lamb?  
  
**F# B**  
 Are you washed in the blood,  
**F# C#7**  
 In the soul-cleansing blood of the Lamb?  
**F# B**  
 Are your garments spotless are they white as snow?  
**F# C#7 F#**  
 Are you washed in the blood of the Lamb?  
  
 Lay aside your garments that are stained with sin  
 And be washed in the blood of the Lamb.  
 There's a fountain flowing for the soul unclean.  
 O, be washed in the blood of the Lamb!

### Just a Little Talk With Jesus

**G C**  
 I once was lost in sin but Jesus took me in  
**G D7**  
 And then a little light from heaven filled my soul  
**G C G**  
 He bathed my heart in love and wrote my name above  
**D7 G**  
 Just a little talk with Jesus made me whole  
  
**G**  
 Now let us have a little talk with Jesus  
 Let us tell Him all about our troubles  
**D7 G G7**  
 He will hear our faintest cry and He will answer by and by  
**C**  
 Now when you feel a prayer wheel turning  
**G**  
 Then you'll know a little fire is burning  
**Em D7 G**  
 You will find a little talk with Jesus make it right  
  
 I may have doubts and fears my eyes be filled with tears  
 But Jesus is a friend who watches day and night  
 I go to Him in prayer He knows my every care  
 And just a little talk with Jesus makes it right

### I Have Decided

Amy Grant

**C G F C**  
 I have decided, I'm gonna live like a believer,  
**F C G**  
 turn my back on the deceiver I'm gonna live what I believe.  
**C G F C**  
 I have decided, being good is just a fable,  
**F C G7 C**  
 I just can't 'cause I'm not able, Gonna leave it to the Lord.  
  
 verse 1  
**C G F C**  
 There's a wealth of things that I profess, I said that I believed.  
**F C G G7**  
 But deep inside I never changed, I guess I'd been deceived.  
**C G F C**  
 'cause a voice inside kept telling me that I'd change by and by.  
**F C G C**  
 But the Spirit made it clear to me, that kind of life's a lie.  
  
 verse 2  
 So forget the game of being good, and your self righteous pain.  
 'cause the only good inside your heart is the good that Jesus brings.  
 When the world begins to see you change, don't expect them to applaud.  
 Just keep your eyes on Him and tell yourself I've become a work of God.
